Fall Promotion Bonus Coupon and Package Bonuses Rules

- High efficiency furnace coupons are valid for equipment installed after August 1, 2007, through December 31, 2007. Other measure bonuses are valid from September 1, 2007, through December 31, 2007. All incentive applications with coupons attached must be postmarked by January 15, 2008.
- Bonuses are offered in addition to standard program incentives and are subject to the terms and conditions as set forth in Form 300A and Form 320H.
- Bonus coupons cannot be used in combination with packages bonuses that contain the same qualifying equipment.
- Only one coupon for each technology can be redeemed per household.
- Package Bonuses should be submitted with the standard Home Energy Solutions incentive application.
- Installation must meet eligibility requirements. Please visit www.energytrust.org/promotions for requirement details.

Energy Trust programs serve Oregon customers of Portland General Electric, Pacific Power, NW Natural, and Cascade Natural Gas.
